Policy number	35	Version	6
Approved by ABG on	14 February 2019	Scheduled review date	February 2021

1. Purpose

This document sets out the policy and procedures concerning fees, charges and refunds at the National Institute of Organisation Dynamics Australia Ltd (NIODA).

2. Scope

This Policy applies to all students in NIODA academic programs.

3. Fee Schedule

The Course Information guide details the fee schedule for each year. This is available on the NIODA website with fee scheduling updated in October of each year.

Fees are subject to a 5% annual increase, rounded to the nearest \$10.

4. Payment of fees

Fees will be invoiced semester by semester.

Payment for all fees should be by direct deposit or credit card made payable to NIODA.

Fees must be paid in full, on a date determined by NIODA; that is at least two weeks prior to the commencement of semester in which the student is enrolled, unless a payment schedule is negotiated.

4.1 Payment Schedules

- 1) A student may request the Director of Academic Programs by email to schedule payments to be completed within the semester of study
- 2) If a student faces extenuating financial circumstances, a legally binding payment agreement may be established beyond the semester of study
- 3) A student may not graduate until all payments have been completed

Students taking Leave of Absence after the subject census* date will be charged full fees for that subject.

Withdrawal after the subject census date will result in no refund of the relevant subject's fees.

*Census dates for subjects are published on the NIODA website by 1st April for all subjects falling in second semester of that year and by 1st October for subjects delivered in the first semester of the following year.

5. Refunds

1. Refund

A refund of fees will be made in the following circumstances:

FEES CHARGES AND REFUNDS POLICY

- 1) If a student withdraws from a subject prior to or on the census date for the relevant subject
- 2) If NIODA is unable to provide or ceases to provide the subject for which the student has applied or is enrolled
- 3) If a student withdraws from a unit after the census date for a subject or does not successfully complete the subject due to special circumstances, and that NIODA is satisfied that the special circumstances do apply.

2. Refund Process

- 1) When a student withdraws from a subject prior to or on the census date for the relevant subject a refund will be automatically sent to them
- 2) If NIODA is unable to provide or ceases to provide the subject for which the student has applied or is enrolled all students affected will be sent a full refund of fees paid for the subject
- 3) If a student withdraws from a unit after the census date for a subject or does not successfully complete the subject due to special circumstances, application must be made following the process outlined in 5.3 and approved by NIODA to enable a refund to be made, or, in the case of a student with Fee-Help loan assistance, to have a re-credit of their FEE-HELP balance and remission of their FEE-HELP debt in relation to the subject.

3. Refund Process – withdrawal after a census date, and where a subject is not successfully completed due to special circumstances

3.1. Students without Fee Help loan assistance

Written application should be made to the Fees and Refunds subcommittee of the Education Committee to have fees refunded under special circumstances that:

- were beyond the student's control, and
- did not make their full impact on the student until on or after the census date for subject in question, and
- made it impracticable for the student to complete the requirements for the subject in the period during which the subject was undertaken, or was to be undertaken

Documented evidence should be provided to support the application. Evidence may include medical certificates, work or other references relating to the circumstances.

Application can be made up to 12 months from the withdrawal date or, if the student did not withdraw, 12 months after the completion date of the subject. This 12 month period can be extended by a further 12 months if it is not possible to make application in the initial 12 month period.

On receipt of the application a member of the subcommittee will arrange a meeting to discuss your application with the student. The student is entitled to bring a support person to this meeting.

Advice of outcome from the Education Committee will be provided to the student within five business days.

Applications should be sent to edu.com@nioda.org.au
