Introduction to Policies relating to studying at NIODA

NIODA's Purpose and Values permeate every aspect of the life of the institution. Underpinning all of what NIODA does is the commitment to creating a learning environment that enhances the quality of the experience of students and staff as well as maintaining the quality of academic outcomes and business efficiency. All policies relating to the life-cycle of students for the duration of their enrolment in the course are integral to this agenda. The policies define the obligations and responsibilities you have as you engage with your studies and the obligations and responsibilities that NIODA has to you throughout your time at NIODA.

On this site you will find policies relating to:

- the promotion and protection of academic excellence and integrity
- the implementation and maintenance of efficient and user-friendly processes for every part of the life-cycle of your involvement with the institute (e.g. application, admission, enrolment, orientation, attendance, learning, assessment, graduation and exit)
- the day-to-day quality of student experience and the life of this learning institution
